

Dear Citizens:

All people gathering signatures please get as many signatures as possible: 1, 5, 25, 50, 100, 1,000. Place your total number of signatures and have the below notarized. One notary page covers however many pages you turn in. Anyone can circulate the petitions, but only Springfield Registered Voters can sign the initiative petition.

We hope the issue would pass by a vote of the people so we can have more and better job opportunities in southwest Missouri. Please let others know about **our Citizens led Grass Roots Organization** efforts and ask them to join too. Please let people know more information can be found at: **www.technologypark2006.org** and the petition along with this page can be downloaded and printed to gather signatures.

Please mail both pages to:
